

Cemeteries of Saint Francis of Assisi Parish of Western Fayette County

*Holy Rosary, Madonna, Saint Agnes, Saint Procopius, Saint Thomas,
Saint Mary (Our Lady of Perpetual Help)*

Dear Parishioners and Cemetery Lot Owners,

With the beginning of grass cutting season, we seek your help with the care and maintenance of our cemeteries. Although we endeavor to keep routine costs to a minimum, the job is large and help is needed. Your monetary donation helps to keep the cemeteries clean and respectful; thus providing a fitting resting place for our loved ones. We also ask your help with keeping your vigil lights and decorations as close to your markers as possible. This expedites the grass-cutting process and makes it safer for the workers.

If you have relatives and friends you would like us to contact so that they may be offered the opportunity to help with the care of the cemeteries, please include their name and address.

Thank you and may God bless all who faithfully support our cemeteries. We simply could not maintain them without your help.

Please complete and return with your donation
